Aggregation of Subsidiaries in Southeast Asia

NIPPON GOHSEI is announcing the consolidation of its sales and marketing companies in Southeast Asia, by transferring the business activities of NIPPON GOHSEI THAILAND CO., LTD. (NTH / Thailand) to NIPPON GOHSEI ASIA PACIFIC PTE LTD. (NGAP / Singapore). This consolidation to NGAP will improve our efficiency and responsiveness for our sales and technical service activities in the Southeast Asian market. As a result of this, NTH is scheduled to close its business at the end of May 2016 and enter liquidation proceedings.

To accelerate our global business expansion, NIPPON GOHSEI intends to achieve the new mid-term management plan, called "NICHIGO 20", starting from FY2016.
